

**Canadian Association of Ambulatory Care**

**We are excited to announce the CAAC's Annual Conference recruitment contest!**

Here's how it works:

- Register by May 18th and you will be automatically entered into a draw to win free registration for the 2019 CAAC conference!
- Promote this to your network and for every additional person you entice to register, you get the equal number of draw tickets. All we need from you is an email with the name of the person you recruited.
- We didn't leave anyone out for this promotion - all delegates who have registered for the 2018 conference will have their names entered into this amazing draw.

**One more reason to attend:**

This year for the first time, we are featuring a mentorship program! This program will introduce seasoned professionals to early careerists. If you are a recent graduate or new to the field of ambulatory care, please submit an email to [malak@healthcareeventplanning.com](mailto:malak@healthcareeventplanning.com) and we will ensure that you are paired with a seasoned professional who you will get to meet at the conference. Tenured professionals – please reach out to Malak to let her know your interest in giving back to the field. Mentors and mentees will have ample opportunity to connect at the conference – during the Boat Cruise, Amazing Race and at the gala dinner.

We look forward to see you in Ottawa.  
The CAAC Conference Planning Team
